EDUCATION

BSc in Computer Science & Engineering
University of Information Technology & Sciences (UITS)

Expected Graduation: 2026

SKILLS

Domain

Competitive Programming, DSA, OOP

Languages

C, C++, JavaScript

Frameworks

Node.js, Express

Database & Others

MongoDB, Firebase, REST APIs

PROJECTS

TazaBazar – Agricultural Marketplace (React, Tailwind CSS, Vite)

- Developed **frontend interfaces** for farmer and consumer dashboards with **product listing**, **bidding modals**, and **real-time notifications** using **React**, **Tailwind CSS**, and **REST API integration** via **Axios**
- Implemented **responsive UI/UX** for dual marketplace system enabling **3 user roles** (Farmer, Consumer, Admin) with **dynamic routing**, authentication flows, and **CRUD operations** across **15+ pages**

Live Demo: <https://taza-bazar.netlify.app/>

UITS ACI Student Chapter Website (React, Firebase, Sanity CMS, Tailwind CSS)

- Integrated **Firebase Authentication & Firestore** for **real-time member management**, **attendance tracking**, and **payment processing** with **role-based access control** (admin/member dashboards)
- Implemented **headless Sanity CMS** with **10+ custom schemas** for dynamic content (events, achievements, gallery), enabling non-technical admins to update website independently
- Streamlined administrative operations for **100+ members**, reducing manual overhead by **80%** through **automated attendance and payment tracking** systems

Live Demo: <https://aciuits.netlify.app/uitsCIVIL>

PetPals (JavaScript, HTML/CSS, REST APIs)

- Developed full-stack pet discovery application integrating **3 external APIs** with **async JavaScript**, implementing **user authentication** via **LocalStorage** and **dynamic breed filtering** system
- Delivered **responsive web app** enabling users to browse **100+ animal breeds** with **real-time data fetching** and interactive image displays

Live Demo: <https://atikshahriaopu.github.io/PetPals>

EXPERIENCE & ACHIEVEMENTS

- Codeforces:** [Shahriar.Opu](https://codeforces.com/profile/Shahriar.Opu) — Highest Rating: **1077**, Solved **650+** problems
- Solved **1200+** problems across Codeforces, LeetCode, CodeChef, LightOJ, UVA
- Participated in **60+** online and **20+** offline contests
- ICPC Dhaka Regional Preliminary 2023 — Team: **UITS_noob3Programmers**
- ICPC Dhaka Regional Preliminary 2024, 2025 — Team: **UITS_AIMERS**
- UITS Contest Feb 2025 — **6th out of 20 teams**
- UITS Intra-University Contest Spring 2025 — **6th out of 60+ teams**

EXTRA CURRICULAR

Mentored junior students in **Competitive Programming** through structured **algorithm** teaching and **problem-solving** sessions.
